3 steps

About 10 minutes on your phone.

1. **Learn what mainframes are**
   The systems behind banks, card payments and airlines, and why employers want people who know them.
2. **Get free IBM Z access**
   Sign up for IBM Z Xplore, click "Ambassador Referral" and select **Soham Athawale**.
3. **Join the club**
   Sign up with your RMIT student details, then come and say hi on our Discord.

z/
Real mainframe
Your own account on the system behind banks, airlines and card payments.

✓
IBM badges
Concepts and Advanced badges for LinkedIn and your resume.

//
Study together
Workshops, study sessions and a Discord for when you get stuck.
